# Understanding Change

Any change within an organization has at least two aspects:

- Tangible Aspect
- Intangible Aspect

# Understanding Change – Quiz 1

Which aspect do you think is more challenging?

1. the **tangible** side which includes technical, process, or operational change;
2. the **intangible** side of the human change.
3. I am not sure.

# Understanding Organizational Change

- Why?
- What?
- How?

# Understanding Organizational Change - Quiz

What is an Organisational Change?

1. Change that improves / optimizes on previously established processes, strategies and procedures.
2. Change that moves an organization from its *status quo* to a new state in order to address a problem / an opportunity.
3. Change that radically and fundamentally alters its operations, culture, and core values.
4. All of the above.

# How to implement organizational changes?

## - ADKAR Model

Built on practical research conducted in more than 900 organizations. The model is simple to learn, makes sense, and focuses on the actions and outcomes required for change.

**A****AWARENESS**
